FORMER LOCAL MAN IS ARRESTED AS LEADER OF ARSON GANG

125 MEN TO GO BACK TO WORK TODAY

"One hundred and twenty-five employes in all departments of the Pacific Sanitary Manufacturing Company will resume their work Monday morning," was the statement of Superintendent C. V. Cameron last night. The cause of the lay off, a broken "ball mill" in which the crystal for making the bath tub enamel is ground, has been repaired, after day and night work by a force of mechanics.

The break in such a vital branch of the plant has necessitated the lay off ever since its occurrence, over a week ago.

MAUD ADAMS AT MACDONOUGH

Maude Adams will take possession of the stage at the Macdonough on Monday evening when she will be seen in "Quality Street," one of Barrie's early comedies and a work that had a great deal to do with establishing the great popularity of the little actress. There has been so much interest manifested in the actress and the play that the engagement is certain to prove one of the most successful ones of the season. The comedy is in four acts and opens in the little blue and white room in Phoebe Throssell's home in Quality street. One can look through the big window at the homes of the neigbors across the street. In the second act Phoebe is seen teaching school, the third is laid at a military ball and the fourth goes back to the little blue and white room. Barrie was in a very sentimental mood when he wrote this comedy, for it breathes of youth and affection. It is merry and it is quaint and it has its little bits of sincere pathos. Miss Adams' portrayal of Phoebe Throssel is described as being one of her most charming and fascinating accomplishments. In the cast will be Charles Hammond as Valentine Brown, Angela Ogden as Susan Throssell and Sarah Converse as Patty. Others in the cast include Morton Selten, Fred Tyler, R. P. Carter, Willard Barton, Stafford Windsor, Elise Clarens, Leonore Chippendale and Byrd Rodgers.

The play will be given Monday and Tuesday nights and Wednesday matinee and night.

Eugene B. Allen, local real estate man, was a business visitor in Martinez yesterday.

GIRL IN CASE, DECLARES MR. EARL RITCHIE

Because Earl Ritchie, champion amateur heavyweight of the Pacific Coast and Miss Eunice Raab(refusel to break their engagement, the parential wrath of George Raab, who had Ritchie arrested on a charge of battery, descended upon the couple. According to a statement made last night by Ritchie, who is out on his own recognisance, he and Miss Raab have been engaged to be married for six months. Ritchie asserts that Raab objected to the attachment that had sprung up between Miss Raab and himself, and had tried to break this friendship off.

In spite of Raab's objections to the match the big machinist's helper says that the daughter of the man who charges him with battery will marry him. The date of the nuptials has not been set.

Ritchie is not bckward in declaring that the friendship that existed between himself and Raab was broken first and foremost because of the parent's objections to his attention to the Miss. Later events the boxer says, simply heightened the ill feeling.

Dem Gay, Ritchie's manager was in Richmond last night. When told that Raab said he had picked Ritchie up out of the gutter and had tried unsuccessfully to make a man of him Gay laughed.

"I have had the handling of Ritchie's affairs for several months, and I know the boy well enough that he was never in the gutter. Further he is a hard working boy, who never loafs. There are two sides to every story. Ritchie's side has never been told."

Ritchie will come up for trial in Police Judge Lindsay's court at 10 o'clock when he will answer to the battery charge made against him.

"I did not commit battery on Raab, as he charges," said Ritchie. "I simply wanted to take him home where we could talk matters over."

WOULD SQUAT ON LAND AT BAY POINT

BAY POINT, June 5.—G. W. Doolin and his son-in-law, D. L. Minehart, came here from Oakland this morning with a tent, provisions and cooking utensils and pitched camp in the center of the million-dollar smith Lumber Company plan, announcing that they owned the land and were going to stay there.

The announcement caused a furore in Bay Point. Constable A. Ludricks was summonen anr inquired into the matter, but Doolin and Minehart produced Government maps and survey notes and the constable baffled, put in the next few hours guarding the place. Meantime the Smith Lumber Company mobilized its attorneys and happenings are expected.

The squatters, who surveyed the place a few days ago, assert they have taken up 26.32 acres of the land, just behind the Smith engine house. They base their claim on the assertion that Government records show the land has never been homesteaded and is part of the public domain. Those who have looked at the maps say they are right.

SENSATIONAL CAPTURE IS MADE IN SAN JOSE

With the arrest of Ervin Barnaman and Mr. and Mrs. H. C. Burhit, former Richmond residents, in San Jose yesterday afternoon by Detectives Kyle and Gannaw of Oakland police force, on warrants sworn to by the Jackson Furniture Company of Oakland charging the trio with embezzlement, the Oakland officials believe they have in custody the moving spirits of an organized gang of arsonists, who have in the past year and a half mulcted thousands of dollars from the treasury of many insurance companies.

Baraman and the Durhits will be charged with arson, according to information emanating from the Oakland police department last night.

The police say the members of the alleged asson gang are wanted in nearly every city on the Pacific Cost. Their operations are alleged to have extended along the Coast from Seattle to San Diego, embracing San Francisco, Los Angeles and Portland.

Barnaman is the son of James L. Barnaman, local man, who conducts a furniture store at 328-330, Nineteenth Street. Mrs. Burhit is the furniture dealer's daughter.

The alleged arsonists are said by the police to have operated under many aliases. It is alleged the scheme of the gang was to rent a house, completely furnish it, have it insured, and then burn down the house, collecting the insurance.

This, according to the Oakland police, was done many times. It is stated that the gang set fire to a house on Thirty-Ninth Street in Oakland and then collected $800 insurance on the furniture. This happened three months ago. After getting the insurance money, Barnaman and the Burhits disappeared, and startel operations in San Jose. During their residence in San Jose, it is alleged by the police they have burned down two houses, and have collected a total of $1550 in insurance money.

Prosperity followed in the wake of the allegel criminal acts. The trio own three high priced automobiles, which the police took possession of in San Jose yesterday, after the arrests were made.

In Oakland Barnaman and the Burhits lived in many different places the police have determinel. They resided at 5371 Bond Street, 5107 Congress Street, and on East Eixteenth Stree, 52d Avenue, and 39th Avenue.

It was only three weeks ago that the Burkits visited James Barnaman at his apartments here. While in Richmond they renewed their equaintenceship with several local residents. The couple are said to have represented themselves to be interestd in a furnitur manufacturing

All efforts to locate the elder Barnaman in Richmond last night were fruitless. Early in the evening, on receiving a telephone call from Oakland, he left hurriedly. At a late hour he hal not returned. It is presumed he went to the police station in Oakland to see his son, daughter and son-in-law. There was a dance in the hall over the furniture store lst night, and in years past, it has been Barnaman's custom to look up the hall at the conclusion of affairs of this kind.

When he left he did not tell any of his friends of his destination or his reason for leaving the city.

Holding that the United States Steel Corporation was honestly and properly organized, and has never been guilty of violating the law, except as to one practice, discontinued before the suit for dissolution was brought in Taft's administration, and that it has never been guilty of oppressing its competitors or its customers or the public, the U. S. Circuit Court of New Jersey has ruled against the Government's suit for dissolution.

In 1902 Charles M. Schwab, president of the Steel Trust, was interviewed in Paris by a reporter of the Journal of Paris.

The trust was facing no suit then, and Schwab was in a state of mind to talk freely.

On that trip to Europe his gambling at Monte Carlo was a sensation.

Among other things he said:

"Yes, indeed, it is perfectly true. We are more powerful than any monarch that ever existed. Why should we deny it?

"Our trust, the United States Steel and Iron Corporation, of which I am President, pays annually in salaries to its employes a sum amounting to $200,000,000. Five millions of souls and upwards are directly dependent upon the employes, and may be 15,000,000 indirectly so.

"The trust owns its railroads and 217 steamers. It is powerful enough to dictate to the railroad companies. Yes, we are strong, very strong."

The reporter suggested that the indiivdual employe in the face of such a combination had no rights at all. Schwab laughed heartily.

"My dear sir," he said, "I have observed that when people are engaged in earning their livelihood, the question of their rights is not bothering them much, as a rule."

The steel trust has an authorized capitalization of $1,404,000,000, while the total capitalization of its eleven constituent companies was but $829,000,000. The difference of $575,000,000 is simply water.

When a corporation pays dividends on water, prices must be much more than a fair return on capital invested. Wages are cut. The public suffers.

In 1902 the average wage paid by the trust was $716.88 per year. In 1912 the average wage was $856.70, a 20 per cent increase. From 1902 to 1912 the cost of living increased by a great deal more than 20 per cent. In other words, the employes of the Steel Trust could buy less with wages he got in 1912 than the wages of 1902. His wages had been in reality reduced.

During this same period the trust expended $425,000,000 out of its earnings "for new construction and retirement of mortgage liens." In other words, increased its own strength while it used up the strength of its employes.

The Steel Corporation has viciously fought the right of its employes to unionize. It has paid starvation wages and continues to do so. It earns millions and millions for high officials and rich investors. It crushes the workers.

A reactionary paper of San Francisco says:

"How could it happen that an absolutely innocent corporation should be subjected to such a virulent prosecution, when, for the most part, all the essential facts had already been public property, we leave it for others to decide.

"Those who are vainly hunting work in this country are beginning to understand that they are out of work solely by reason of such prosecutions as this, which have kept out of business those who might have given employment, and are today driving capital to foreign countries, where it is employed to the prejudice of domestic trade, which gives employment to hundreds where foreign trade gives employment to one."

Read that as the view point of the interests and couple it with Schwab's statement relative to the miserably paid employes of the trust, who are too busy being good slaves to think of their rights.

Then remember that the Sherman anti-trust law has been enforced on only labor organizations!

Doesn't that make you contented with your lot?

Buy It NOW And Get RICH

Never Again Such an Opportunity As Now

During the so-called "Dull Period" of the past two years, while Stocks, Bonds and nearly all classes of securities have depreciated in value, the lots we have sold have constantly increased in value.

The property we have sold in Richmond during the past five years has increased more in value than lots in all other tracts combined.

Nowhere else in California can you buy lots at the price and terms we are selling them for in our Business Center Tract on which you can make as much money

You Can Always Buy a Resident Lot

or a so-called water front lot, but never again will you have the opportunity of buying on small monthly payments lots that are actual Business Property Now.

"Buy It Now"

BIG PROFITS

Nowhere in Richmond (or at any other place) is property increasing in value as much or as rapidly as the lots sold by

BURG BROS., INC.

We have proofs, hundreds of them. Here are a few:

Purchase Price	Resold for	Profit	On Investment of
$4000	$6500	$2500	$825
700	2000	1300	325
2300	3000	700	375
Same lot sold again for	$5000		
Original price of above lot	2000	1425	
2300	5000	2700	725

Another lot resold five times within 30 months. First price, $1250; last, $2500. Profit, $1250 on $325 investment.

One Acre of Ground at 23d and Macdonald Ave. Sold for $2,000—Resold for $75,000.

Fifteen years ago the 200-acre Nihcoll Tract was offered for sale at $70 per acre, a total of $14,000. One corner lot 50x100 of this same land sold for $15,000, or $1000 more than was asked for the entire 200 acres. This saem lot, 50 x100, is now worth $22,500.

Jess Willard Worked As Strike Breaker

Replying to several inquiries, we desire to state that, according to information gathered, the fact seems to have been established that Jess Willard, who won the championship from Jack Johnson recently, was one of the thugs who served the Illinois Central during the torchlight nights of the strike at East St. Louis, Ill., says the Bakers' Journal.

The following story recently printed in the Strike Bulletin, the official organ of the Illinois Central strikers, explains sufficiently the early training of Wilard at East St. Louis.

Jess Wilard, the man who wrested the championship title from Jack Johnson at Havana, Cuba, served as a special deputy under U. S. Marshal C. P. Hatch during the Illinois Central strike a few yeras ago, says the Bakers' Journal.

During that trouble, the situation at one time became so serious that it was necessary to secure a large number of men of undoubted courage for this work and among these was a delegation of westerners, coming chiefly from Montana and Nevada, who were placed on duty at East St. St. Louis.

A part of the process of employment was to take the description of each man, for the purpose of keeping a record. One of the applicants was a young giant, magnificently proportioned and as straight as a pine tree, who in answer to the question, "What is your name?" replied, "Jess Willard."

At the end of this trial you will be ablé to judge for yourself just how efficient this herb treatment is. We have letters of thanks for cures on almost every known disease. These letters from local and out-of-town sufferers are open for your inspection at our office. The following letter is one that will be of interest to hundreds of men and women who have been suffering and been unable to find relief at the hands of doctors. Read this letter from one of San Francisco's most prominent newspa-

My Dear Doctor Chan:

I am more than pleased to be able per mon:
to endorse your effective method of herb healing. With a painful attack of acute muscular rheumatism, after having tried Swedish Massage and later the remedies of a well-known specialist, I came to you on the advice of Mr. Shoong, proprietor of the China Toggery, who stated that you were the best Chinese practitioner he knew.

With some apprehension as to your ability to accomplish what the others had severally failed in, I commenced taking your herb teas, with the result that in a few weeks I found not only that the rheumatism has been eliminted, but along with it indigestion and a long standing constipation whch ihad threatened to become chronic. It will always be a pleasure to recommend you to my friends, as I have already done in many instances, feeling confident that in any case where you state you can cure, a cure will be accomplished through your remedies. Very truly yours, H. R. HURLBUT.

MARRIED MEN SHOW A WORLD OF CLASS AND BEAT SINGLE BRETHERN

Some battle was staged on the Luce Park grounds yesterday when the married men and the single men of the Santa Fe company tangled for the annual game. The married men conclusively proved that they have not lost their old-time pepper. They actually beat the single men. The score was 9 to 6.

The married men lined up as follows: Fulton, catcher; Andrews, pitcher; Kovec, First base; Ribley, second base; Osborne, third base; Blankenship, shortstop; Turner, left field; Towers and Monaghan, center field; Mullen, right field.

The single men trotted out this way: Merriman, catcher; Stalker, and Montayo, pitchers; Stubblefield, first base; Estes, second base; Food, third base; Montoya and Stolker, shortstop; Kirkwood, left field; Hogan, center field; Stade, right field.

One literary genius, who played in the ranks of the married men and who wishes his name withheld wrote the following last night:

"The smoke has liftel and drifted away from the Santa Fe shops. Every married man there is walking around with a chest larger than Jess Willard's. Taking the game yesterday from the first inning on we will say it was the worst game in which we ever had the misfortune to take part."

Blankenship, first man up for the married men, got on base by a fluke and went around scoring a run. I might mention that not a man got on base on either side without he got around.

"Andrews, pitching for the married men, hurled a fairly good game, except in the pinches, when he fell lown miserably, depending on his men to try and hold him up, which they failed t do until the last two finings, when they couldn't fall out of the way of the balls hit in their direction.

"Ribley didn't look very good on second, and Kovec looked worse on first. If I took a sack and handed it to Osborne on third, he couldn't grab them, Blankenship on short can be excused for his bad ankle. (You can guess who the author of the piece is by his alibi.)

ELKS AND VALLEJO TO BATTLE IT OUT TODAY

Baseball will hold the center of the stage in Richmond again today, when Tony Blanco's Vallejo champions will battle with Bill Luce's Richmond Elks. There have been games and games played on the local lot this season, but the matinee this afternoon promises to be the best battle of them all.

The Elks are a bit peeved as a result of the beating they received at the hands of Petaluma last Sunday. They will fight to the very last ditch to prevent getting two drubbings in a row. Instead of being discouraged, the local gang is going in there this Sabbath afternoon with more of that old fighting diamond pepper than ever before. These Elks compose some club, and it is still our opinion, in spite of last Sunday's fiasco, that they are the best club in the bushes.

Vallejo is playing its first game of the season away from home. The team that Blanco will bring here won the Vallejo city championship after three months of play.

The feeling of defeat is one almost unknown to the Navy Yard City boys. Antonio Blanco has banded together an aggregation of fighters, who won't stop tryng until the game is over in the ninth frame.

Richmond will go into battle with its same old lineup. Bill Luce has selected Frank Gordon to pitch. Gordon is in fine form, and expects to get by in good shape. Charlie Burns will be ready to enter the war zone any time he is needed.

Cliff Cleek will be in his old position behind the log, Kenneth Ingraham will be on the initial corner. Eddie Benn will be on the difficult corner, Christianson will guard the keystone position, while Conger will scoop 'em up on the short patch. Cunningham will be in left field, Daniels in center and Woodbury in right. "Brick" Devereaux, the dispenser of pepper and ginger, will be out there on the coaching line, ready to fill in anywhere if needed.

Hinkle, a big right-hander, will do the pitching for Vallejo. Hinkle has not been beaten by any club this year, and when he steps out there on the old mound he will have confidence, if nothing else. Horan will catch Hinkle. Captain Tony Blanco will play in one of the fields.

Joe Woods, Vallejo boy, who has been umpiring the Elks' games this year, will be the official arbitrator.

Vallejo fans by the hundred are coming in a specially chartered boat today. The boat will land at the wharf of the Richmond-Marin County Ferry and Transportation Company. A band from the Vallejo Navy Yard will also be brought along. Taken all in all, today's game promises to be full of thrills. There will be excitement every minute.

The battle will start prompty at 2:30.

ATHLETICS OFF FOR TORMEY

Scores of boosters who are following the destinies of the Point Athletes will follow the team to Tormey today where they will clinch with the Tormey boys. They will eave on the 12:50 Southern Pacific train and Connie Mack Wunderlich welcomes any who want to attend. They will win as follows: Chambers, center; Monteverde, right; Downey, secon!; Green, short; Epperson, third; Schramm, first; Mitchell, left; McCormick, catcher; Favell, pitcher.

With a continuation of good weather all the bushers in the state will be in action today. Every available diamond will be the scene of the playing efforts of comirg Bill James', Ty Cobbs and Joe Jacksons.

There will be plenty of that old rooting pepper at the game this afternoon. Several hundred Vallejo fans will be in attendance to yell for their favorites.

Talk about the eternal fitness of things. A fighter has been arrested for battery.

It is the unanimous opinion of all that the next series of boxing bouts will provide more real action than any of the preceding boxing carnivals in this city.

Promoter Kirby Floyd states that no boys will be allowed to attend the boxing show. He intends to comply with the law as strictly in the future as he has in the past. The boxing game is being run along the right lines in this city, and it is bound to prosper.

If Richmond and Martines play at all this season, it will have to be after this month. The Sunday dates for the rest of June are all taken. Today the Elks plal Vallejo, a week from Sunday they journey to Sebastopol comes here for reaurn game.

Petaluma and Sebastopol will play a return game this afternoon. Here's hoping you turn the trick, Sebastopol.

Martines plays some aggregation this afternoon, but We never heard of the team before, so of course we cannot be expected to remember what name it plays under. McNamara surely picks the easy ones for his cheese champions.

COMING BOXING BOUTS LOOK INVITING

That series of boxing that Kirby Floyd will put on at the Eighth Street pavilion on Tuesday night sure look like the class. There won't be much of this fancy boxing pulled during the evening. But there will be plenty of slugging. Every boy on the card is going in there to root from the main eventers to the lads who furnish the curtain raiser. The card looks like the best to be presented to the public in Richmond for many a moon.

The bouts from the main events down follows: Kid Kelsey vs. "One Round" Hogan; Plug Milne vs. Battling Johnson; Kid Thompson and Jimmie Dundee; Frank Brazil and Kid Brown; Freddie Duffy and Willie Dermondy, and Jimmie Duffy and Joe Grimes. "Some card, believe us."

Thank heavens, it will be up to my successor to get his Remington Lusy on this stuff hereafter. We hereby sing our swan song.

These Vallejo fans are full of the old jaz. They have gone to the bat, and hired a steamer to bring them to this city.
